It is the purpose of this policy to promulgate these rules of ethical conduct for the Board members and employees of the District. SUBJECT: EQUAL EMPLOYMENT OPPORTUNITY

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE

The District is committed to maintaining a discrimination-free work environment. Sexual harassment is one form of workplace discrimination. This policy addresses sexual harassment in the workplace and is one component of the District's commitment to a discrimination-free work environment. The District will provide this policy to all employees in writing. The District will post this policy prominently throughout the District to the extent practicable.

Sexual harassment is a form of employee misconduct, a violation of District policy, and unlawful. Employees of every level who engage in sexual harassment, including supervisory personnel who engage in sexual harassment, who knowingly allow such behavior to continue, or fail to report suspected sexual harassment will be subject to remedial and/or disciplinary action by the District. Sexual harassment may also subject the District to liability for harm to targets of sexual harassment. Harassers may also be individually subject to liability.

This policy applies to all instances of sexual harassment perpetrated against a "covered person," regardless of immigration status, by anyone in the workplace, including a co-worker, supervisor, or third-party such as a non-employee, paid or unpaid intern, vendor, building security, visitor, volunteer, parent, or student. For purposes of this policy, a "covered person" includes:

- a) Employees;
- b) Applicants for employment;
- c) Paid or unpaid interns; and
- d) Non-employees, which include anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or other person providing services pursuant to a contract in the workplace.

Sexual harassment in the workplace can occur between any individuals, regardless of their sex or gender. Unlawful sexual harassment is not limited to the physical workplace itself. Sexual harassment can occur on school grounds, school buses or District vehicles, and at school-sponsored events, programs, or activities, including those that take place at locations off school premises. It can also occur while employees are traveling for District business. Calls, texts, emails, and social media usage can constitute unlawful workplace harassment, even if they occur away from school grounds, on personal devices, or during non-work hours.

What Constitutes Sexual Harassment

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender.

(Continued)

Personnel

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- a) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- b) Such conduct is made either explicitly or implicitly a term or condition of employment; or
- c) Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.

Any covered person who feels harassed should report the conduct so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment

The following describes some actions that may constitute unlawful sexual harassment and that are strictly prohibited:

- a) Physical acts of a sexual nature, such as:
 1. Touching, pinching, patting, kissing, hugging, grabbing, brushing against another person's body or poking another person's body; and
 2. Rape, sexual battery, molestation or attempts to commit these assaults.
- b) Unwanted sexual advances or propositions, such as:

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

1. Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments; and
2. Subtle or obvious pressure for unwelcome sexual activities.
- c) Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- d) Sex stereotyping, which occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- e) Sexual or discriminatory displays or publications anywhere in the workplace, such as pictures, posters, calendars, graffiti, objects, promotional material, reading materials, or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- f) Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity, and the status of being transgender, such as:
 1. Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 2. Sabotaging an individual's work; and
 3. Bullying, yelling, or name-calling.

Prohibition of Retaliatory Behavior (Whistle-Blower Protection)

Unlawful retaliation can be any action that could discourage a covered person from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

The District prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participate in the investigation of a complaint of sexual harassment. Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in "protected activity." Protected activity occurs when a person has:

- a) Made a complaint of sexual harassment, either internally or with any anti-discrimination agency;

(Continued)

Personnel

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

- b) Testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;
- c) Opposed sexual harassment by making a verbal or informal complaint of harassment to a supervisor, building principal, other administrator, or the Civil Rights Compliance Officer (CRCO);
- d) Reported that another employee has been sexually harassed; or
- e) Encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

Reporting Sexual Harassment

Preventing sexual harassment is everyone's responsibility. The District cannot prevent or remedy sexual harassment unless it knows about it. Any covered person who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to a supervisor, building principal, other administrator, or the CRCO. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior.

Reports of sexual harassment may be made verbally or in writing. A form for submission of a written complaint is posted on the District website, and all covered persons are encouraged to use this complaint form. Persons who are reporting sexual harassment on behalf of another person should use the complaint form and note that it is being submitted on another person's behalf.

Any person who believes they have been a target of sexual harassment may also seek assistance in other available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities

All supervisors, building principals, and other administrators who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report such suspected sexual harassment to the CRCO. In the event the CRCO is the alleged harasser, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity, or to the Superintendent.

(Continued)

Personnel

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors, building principals, and other administrators will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors, building principals, and other administrators will also be subject to discipline for engaging in any retaliation.

Investigating Complaints

All complaints or information about sexual harassment will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely manner, and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commenced immediately and completed as soon as possible. The investigation will be kept confidential to the extent possible. Disclosure may, however, be necessary to complete a thorough investigation of the charges and/or notify law enforcement officials. All persons involved, including complainants, witnesses, and alleged harassers will be accorded due process, as outlined below, and in accordance with any applicable collective bargaining agreements to protect their rights to a fair and impartial investigation.

The District will not tolerate retaliation against anyone who files complaints, supports another's complaint, or participates in an investigation regarding a violation of this policy.

While the process may vary from case to case, investigations should be done in accordance with the following steps:

- a) Upon receipt of a complaint, the CRCO will conduct an immediate review of the allegations, and take any interim actions (e.g., instructing the respondent to refrain from communications with the complainant), as appropriate. In the event that the CRCO is the alleged harasser, the complaint will be directed to another CRCO or District designee for investigation.
- b) If a complaint is verbal, encourage the individual to complete the complaint form. If he or she refuses, prepare a complaint form based on the verbal reporting.
- c) If documents, emails, or phone records are relevant to the investigation, take steps to obtain and preserve them.
- d) Request and review all relevant documents, including all electronic communications.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

- e) Interview all parties involved, including any relevant witnesses. If a student is involved, the District will follow all applicable District policies and procedures regarding questioning students.
- f) Create written documentation of the investigation (such as a letter, memo or email), which contains the following:
 - 1. A list of all documents reviewed, along with a detailed summary of relevant documents;
 - 2. A list of names of those interviewed, along with a detailed summary of their statements;
 - 3. A timeline of events;
 - 4. A summary of prior relevant incidents, reported or unreported; and
 - 5. The basis for the decision and final resolution of the complaint, together with any corrective action(s).
- g) Keep the written documentation and associated documents in a secure and confidential location.
- h) Promptly notify the individual who reported and the individual(s) about whom the complaint was made of the final determination and implement any corrective actions identified in the written document.
- i) Inform the individual who reported of the right to file a complaint or charge externally as outlined in the next section.

If an investigation reveals that discrimination or harassment has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable laws and regulations, as well as any and all relevant codes of conduct, District policies and administrative regulations, collective bargaining agreements, and/or third-party contracts.

Annual Training

The District will provide a sexual harassment prevention training program to all employees on an annual basis. The training will be interactive and will include:

- a) An explanation of sexual harassment consistent with guidance issued by the Department of Labor in consultation with the Division of Human Rights;
- b) Examples of conduct that would constitute unlawful sexual harassment;

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

- c) Information concerning the federal and state statutory provisions concerning sexual harassment and remedies available to victims of sexual harassment;
- d) Information concerning employees' rights of redress and all available forums for adjudicating complaints; and
- e) Information addressing conduct by supervisors and any additional responsibilities for such supervisors.

Legal Protections and External Remedies

Sexual harassment is not only prohibited by the District but is also prohibited by state, federal, and, where applicable, local law.

Aside from the District's internal process, individuals may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, an individual may seek the legal advice of an attorney.

In addition to those outlined below, individuals may have additional legal protections.

State Human Rights Law (HRL)

The Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, § 290 et seq., applies to all employers in New York State with regard to sexual harassment, and protects covered persons, regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file with DHR, they can sue directly in state court under the HRL, within three years of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the District does not extend your time to file with DHR or in court. The one year or three years is counted from the date of the most recent incident of harassment.

Individuals do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate your complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual harassment is found after a hearing, DHR has the power to award relief, which varies but may include requiring your employer to take action to stop the harassment, or redress the damage caused, including paying of monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. Individuals may call (718) 741-8400 or visit: www.dhr.ny.gov.

Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

Civil Rights Act of 1964

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 USC § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An individual alleging discrimination at work can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov or via email at info@eeoc.gov.

If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Title IX

Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in any federally funded education program or activity. The U.S. Department of Education's Office for Civil Rights (OCR) enforces Title IX of the Education Amendments of 1972.

For more information about how to file a complaint, contact OCR at 800-421-3481 (TDD 800-877-8339) or visit: <https://www2.ed.gov/about/offices/list/ocr/docs/howto.html>. The website contains information about filing the complaint online, by mail, or by email.

SUBJECT: EVALUATION OF PERSONNEL**All Staff Members**

The administration shall undertake a continuous program of supervision and evaluation of all personnel, including support staff, in the School District. The primary purposes of the evaluations shall be to encourage and promote improved performance and to make decisions about the occupancy of positions.

Teachers and Administrators

The Binghamton City District is committed to supporting the development of effective teachers and administrators. To this end, the District shall provide procedures for the evaluation of all professional staff. District plans for Annual Professional Performance Review (APPR) of teachers and Principals shall be developed in accordance with applicable laws, Commissioner's Regulations, and Rules of the Board of Regents.

The primary purposes of these evaluations are:

- a) To encourage and promote improved performance;
- b) To guide professional development efforts; and
- c) To provide a basis for evaluative judgments by applicable school officials.

APPR Ratings

For those teachers and Principals subject to Education Law 3012-c, the Annual Professional Performance Review (APPR) will result in a single composite effectiveness score and a rating of "highly effective," "effective," "developing," or "ineffective." The composite score will be determined as follows:

- a) 20% - student growth on state assessments or a comparable measure of student achievement growth (increases to 25% upon implementation of a value-added growth model);
- b) 20% - locally selected measures of student achievement that are determined to be rigorous and comparable across classrooms as defined by the Commissioner (decreases to 15% upon implementation of a value-added growth model); and
- c) 60% - other measures of teacher/Principal effectiveness consistent with standards prescribed by the Commissioner in regulation.

The ratings scale based on composite scores has been established as follows:

(Continued)

Personnel

SUBJECT: EVALUATION OF PERSONNEL (Cont'd.)

- a) Highly Effective = composite effectiveness score of 91-100
- b) Effective = composite effectiveness score of 75-90
- c) Developing = composite effectiveness score of 65-74
- d) Ineffective = composite effectiveness score of 0-64.

If a teacher or Principal is rated "developing" or "ineffective," the School District will develop and implement a teacher or Principal improvement plan (TIP) or (PIP). Tenured teachers and Principals with a pattern of ineffective teaching or performance, defined as two consecutive annual "ineffective" ratings, may be charged with incompetence and considered for termination through an expedited hearing process.

The School District will ensure that all evaluators are appropriately trained consistent with standards prescribed by the Commissioner and that an appeals procedure is locally developed.

Disclosure of APPR Data

Consistent with Chapter 68 of the Laws of 2012, which amends Education Law 3012-c, the Commissioner is required to disclose professional performance review data for teachers and Principals on the New York State Education Department (NYSED) website and in any other manner to make such data widely available to the public. However, the release of such aggregate data may not include personally identifiable information for any teacher or Principal. Such public disclosure of final quality ratings and composite effectiveness scores will be suitable for research, analysis and comparison of APPR data for teachers and Principals across the state.

Upon request, the District will release to parents/legal guardians the final quality ratings and composite effectiveness scores for teachers and Principals to which their student is currently assigned. The District's obligation to disclose this information is limited to those teachers and Building Principals subject to Education Law 3012-c. The District will provide conspicuous notice to parents/legal guardians of their right to obtain such information and the methods by which the data can be obtained. Upon request, parents will receive an oral or written explanation of the composite effectiveness scoring ranges for final quality ratings and be offered the opportunity to understand such scores in the context of teacher evaluation and student performance. When a request for this information is received, reasonable efforts will be made to verify that it is a bona fide request by a parent/legal guardian entitled to review the data.

Annual professional performance reviews of individual teachers and Principals shall not be subject to disclosure under the Freedom of Information Law (FOIL).

SUBJECT: EMPLOYEE MEDICAL EXAMINATIONS**Preemployment Medical Examinations**

In accordance with the Americans with Disabilities Act, as amended, the School District shall not require applicants for positions to undergo a medical examination prior to an offer of employment. Further, the District shall not make inquiries of a job applicant as to whether the applicant is an individual with a disability or as to the nature or severity of a disability.

However, the District may make preemployment inquiries into the ability of an applicant to perform job-related functions.

Employment Entrance Examinations

All entering employees are required to obtain a medical examination after an offer of employment has been made and prior to the commencement of the employment duties of such applicant. Further, the District may condition an offer of employment on the results of the examination in accordance with law.

When such examination is made by the school physician/nurse practitioner the cost of such examination shall be borne by the District. A staff member, however, may elect to have a medical examination at his/her own expense by a physician of his/her own choice.

The Board reserves the right to request a medical examination at any time during employment, at School District expense, in order to determine whether any employee can perform the essential functions of the position with or without reasonable accommodation.

Annual or more frequent examinations of any employee may be required, when, in the judgment of the school physician/nurse practitioner and the Superintendent, such procedure is deemed necessary.

Each vendor/contract bus company shall ensure that its bus drivers and substitute bus drivers shall have yearly physical examinations. Each bus driver initially employed by the vendor/contract bus company shall have a physical examination within the four weeks prior to the beginning of service. In no case shall the interval between physical examinations exceed a thirteen-month period.

The final acceptance or rejection of a medical report with reference to the health of an employee lies within the discretion of the Board. The decision of the physician designated by the Board as the determining physician shall take precedence over all other medical advice.

All medical and health related information will be kept in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

(Continued)

SUBJECT: EMPLOYEE MEDICAL EXAMINATIONS (Cont'd.)**Examinations and Inquiries**Acceptable

The District may conduct voluntary medical examinations, including voluntary medical histories, which are part of an employee health program available to employees at that work site. The district may make inquiries into the ability of an employee to perform job-related functions.

Prohibited

The District shall not require a medical examination and shall not make inquiries as to whether such employee is an individual with a disability or as to the nature or severity of the disability, unless the examination or inquiry is shown to be job related and consistent with business necessity.

SUBJECT: ALCOHOL, DRUGS AND OTHER SUBSTANCES (SCHOOL PERSONNEL)

The Board of Education, recognizing that students are often influenced by teachers and other members of a school's staff, impresses upon staff members the importance of maintaining a high level of professionalism appropriate to their position, which, in turn, shall set a positive example for students.

The Board, therefore, prohibits the consumption, sharing and/or selling, use and/or possession of illegal drugs, counterfeit and designer drugs or alcoholic beverages in the workplace, or when the effects of such drugs and/or alcohol use may impair an employee's job performance.

Information about any drug and alcohol counseling and/or rehabilitation programs shall be made available to employees. Data will also include the range of penalties (consistent with local, state and federal law) up to and including termination of employment and referral for prosecution that will be imposed on employees who have transgressed the terms of this policy.

Additionally, confidentiality shall be ensured as required by state and federal law.

The Superintendent/designee shall periodically review the drug and alcohol abuse prevention program to determine its effectiveness and support appropriate modifications, as needed.

SUBJECT: DRUG-FREE WORKPLACE

It shall be the general policy of the Board of Education to affirm that all programs in the District that receive Federal funds shall guarantee that their workplaces are free of controlled substances. "Controlled substance" means a controlled substance in schedules I through V of Section 202 of the Controlled Substances Act (21 USC 812) and as further defined in regulation at 21 Code of Federal Regulations (CFR) Sections 1308.11-1308.15. An acknowledgment form shall be signed by the Superintendent indicating that the District is in full compliance with the Drug-Free Workplace Act. This policy shall guarantee that not only Federally funded programs, but the entire District is free of controlled substances.

"Workplace" is defined as a school building or other school premises; any school-owned vehicle or any other school-approved vehicle used to transport students to and from school or school activities; off school property during any school-sponsored or school-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the School District.

The Board of Education directs the administration to develop regulations to comply with this policy, and further supports such actions and activities of the administration as shall be required to maintain a drug-free workplace.

SUBJECT: PROFESSIONAL GROWTH/STAFF DEVELOPMENT

It is the policy of the District that attention be given to in-service, pre-service, and other staff development programs which are believed to be of benefit to the School District and its students. The Superintendent, in consultation with the appropriate administrative staff and/or teacher committees, is directed to arrange in-service programs and other staff development opportunities which will provide for the selection of subjects pertinent to the curriculum in the schools, to build from these subjects those topics or courses for in-service or staff development which will help employees acquire new methods of performing their job responsibilities or help staff improve on those techniques which are already being used in the schools, with the objective of improving professional competencies.

It is recommended that administration develop meaningful in-service and/or staff development programs which will achieve the following:

- a) Contribute to the instructional program of the schools;
- b) Contribute to improved education for students;
- c) Achieve state mandates; and
- d) Enhance the professional competencies and/or instructional abilities of staff members.

The Board of Education, therefore, encourages all employees to improve their competencies beyond that which they may obtain through the regular performance of their assigned duties. Opportunities should be provided for:

- a) Planned in-service programs, courses, seminars, and workshops offered both within the School System and outside the District.
- b) Visits to other classrooms and schools, as well as attendance at professional meetings, for the purpose of improving instruction and/or educational services.
- c) Orientation/re-orientation of staff members to program and/or organizational changes as well as District expectations.

Attendance at such professional development programs must be directly linked to the duties and responsibilities comprising the job description of the employee. Consequently, employees are encouraged to participate in the planning of staff development programs designed to meet their specific needs.

Members of the staff are also encouraged to continue their formal education as well as to attend their respective work-related workshops, conferences and meetings.

(Continued)

SUBJECT: PROFESSIONAL GROWTH/STAFF DEVELOPMENT (Cont'd.)

Funds for participating at such conferences, conventions, and other similar professional development programs will be budgeted for by the Board of Education on an annual basis. Reimbursement to District staff for all actual and necessary registration fees, expenses of travel, meals and lodging, and all necessary tuition fees incurred in connection with attendance at conferences and the like will be in accordance with established regulations for conference attendance and expense reimbursement.

The Superintendent of Schools or his/her designee has authority to approve release time and expenses for staff members' attendance at professional training conferences, study councils, in-service courses, workshops, summer study grants, school visitations, professional organizations and the like within budgetary constraints.

A conference request form/course approval form must be submitted by the employee and approved by the designated administrator prior to the employee's attendance at such conference or other professional development program.

Mentoring Programs for First Year Teachers

First year teachers must participate in a mentoring program as a component of the School District's Professional Development Plan. The purpose of the mentoring program is to increase the retention of new teachers and improve their ability to assist students in attaining State learning standards. The mentor's role is to provide guidance and support to a new teacher. However, additional mentor responsibilities may be negotiated and reflected in a collective bargaining agreement.

SUBJECT: CONFERENCE/TRAVEL EXPENSE REIMBURSEMENT

Conference travel shall be for official business and shall be made utilizing a cost-effective and reasonable method of travel.

All conference travel must have a completed Travel Conference Request Form on file which has been approved by the appropriate supervisor. The Superintendent/designee approves those Travel Conference Requests which have reimbursable employee expenses greater than one hundred dollars (\$100). Travel Conference Request Forms are only to be used by District employees.

All conference reimbursement requests must be submitted in a timely fashion using a Travel Conference Reimbursement Form. Every effort should be made to utilize District purchase orders for approved expenses (i.e., lodging, transportation, registration, etc.).

Expenses for overnight-approved travel will be reimbursed when accompanied by original receipts for lodging and other reimbursable expenses. Meal expenses for overnight travel, including sales tax and gratuities, will only be reimbursed based on the Board approved per diem rates which are modeled after the United States General Services Administration per diem rates found at: <http://www.gsa.gov/portal/content/104877>

SUBJECT: SAFETY OF STUDENTS (FINGERPRINTING CLEARANCE OF NEW HIRES)

Unless otherwise authorized in accordance with law and regulation, the District shall not employ or utilize a prospective school employee, as defined below, unless such prospective school employee has been granted a "full" clearance for employment by the State Education Department (SED). The School District shall require a prospective school employee who is not in the SED criminal history file to be fingerprinted for purposes of a criminal history record check by authorized personnel of the designated fingerprinting entity. For purposes of this provision of law, the term "criminal history record" shall mean a record of all convictions of crimes and any pending criminal charges maintained on an individual by the Division of Criminal Justice Services (DCJS) and the Federal Bureau of Investigation (FBI). The District shall, however, obtain the applicant's consent to the criminal history records search.

The District shall utilize SED's Web-based application known as TEACH for instantaneous access to important information about certification and fingerprinting. Through TEACH, SED provides an individual with the ability to apply for fingerprint clearance for certification and/or employment and view the status of his/her fingerprint clearance request. Through TEACH, the School District is able, among other applications, to submit an online request for fingerprint clearance for a prospective employee, view the status of a fingerprint clearance request, and determine whether a subsequent arrest letter has been issued.

Safety of Students

The District will develop internal building and/or program procedures to help ensure the safety of students who have contact with an employee holding conditional appointment or emergency conditional appointment. Such procedures will address the safety of students in the classroom, students attending off-campus activities under the supervision of the School District, and students participating in extracurricular and/or co-curricular activities (including sports and athletic activities).

Safety procedures to be addressed include, but are not limited to, the following: supervision of the employee holding conditional appointment/emergency conditional appointment as determined appropriate by the applicable building/program administrator; and periodic visitations by the building/program administrator to the classroom, program and/or activity assigned to the employee holding conditional appointment/emergency conditional appointment.

Access to TEACH

Information regarding fingerprinting of new hires, including relevant laws and regulations, frequently asked questions (FAQs), an up-to-date chart for "Who Must be Fingerprinted", and instructions on the fingerprinting process are found on the SED website.

SUBJECT: SAFE MENTORING ACT

In accordance with the Safe Mentoring Act, to ensure the safety of students involved in the District's mentoring program, the District will obtain a criminal history record check from the Division of Criminal Justice Services (DCJS) for each prospective employee as well as prospective volunteer mentors who are involved in any District mentoring program and who may engage in unsupervised activities with youth or in activities with youth in a setting without constant District or parental/guardian oversight.

Definitions

- a) "Prospective employee" shall mean a person being considered for employment by a mentoring program.
- b) "Prospective mentor" shall mean an individual who is currently applying to volunteer to help a child or a group of children in a mentoring program for a period of time. Such help shall include, but not be limited to, being a positive role model for youth, building relationships with youth, and providing youth with academic assistance and exposure to new experiences and examples of opportunity that enhance the ability of children to become responsible adults.
- c) A "criminal history record" shall mean a record of all convictions of crimes and any pending criminal charges maintained on an individual by the DCJS and the Federal Bureau of Investigation (FBI).
- d) "Mentoring program" shall mean a formalized program operated by an educational institution or school district that matches youth with adult volunteers with the purpose of providing such youth with positive role models to enhance their development.

Prospective School Employees

All prospective school employees (as enumerated pursuant to Commissioner's Regulations, 8 New York Code of Rules and Regulations Section 80-1.11 and Part 87) must already receive clearance from the State Education Department (SED) in accordance with existing procedures. However, all other requirements of the Safe Mentoring Act apply to prospective school employees who are being considered for employment by a mentoring program.

The District shall require that a criminal history record check be conducted for any "prospective employee" not otherwise defined as a "prospective school employee" per Commissioner's Regulations in accordance with Social Services Law Section 390-e and District procedures.

Prospective Volunteer Mentors

Volunteers, however, are not "covered" by such regulations, and "prospective mentors" (i.e., defined as applicants for volunteer work in a mentoring role/program) will be subject to the requirements of Social Services Law Section 390-e and District procedures.

(Continued)

SUBJECT: SAFE MENTORING ACT (Cont'd.)**Fees for Fingerprinting**

Both the DCJS and the FBI impose a processing fee. The fees for the criminal history record search shall be an amount equal to the fees established by DCJS and the FBI for processing the criminal history information request. In addition, the entity that actually takes the fingerprints may impose a fee. The fees shall be payable to Office of Children and Family Services (OCFS) and paid by money order, check or certified check by the District.

Unless otherwise authorized by the Board of Education, the prospective employee and/or prospective volunteer mentor shall pay such fees.

Waiver by Custodial Parent/Guardian

A custodial parent/guardian may sign a waiver authorizing a mentor to work with his/her child regardless of a criminal charge or crime related to a mentor, unless the crime is a sex offense or a crime against a child. No waiver is permitted in the case of a sex offense or a crime against a child. This waiver process may only be initiated upon the consent of the prospective mentor, and be on a form developed by the OCFS. Where applicable, the District may notify a custodial parent/guardian of his/her waiver right, but a waiver shall only be authorized by a custodial parent or guardian.

Confidentiality

The criminal history record shall be confidential pursuant to applicable federal and state laws, rules and regulations, and shall not be published or in any way disclosed to persons other than authorized personnel, unless otherwise authorized by law.

Parental Disclosure

The District will provide each custodial parent/guardian of every child participating in its mentoring program a description of the kind of criminal background checks conducted on prospective employees and prospective volunteer mentors in accordance with law.

SUBJECT: STAFF-STUDENT RELATIONS (FRATERNIZATION)

The Board of Education requires that all School District employees maintain a professional, ethical relationship with District students that is conducive to an effective, safe learning environment; and that staff members act as role models for students at all times, whether on or off school property and both during and outside of school hours. Staff must establish appropriate personal boundaries with students and not engage in any behavior that could reasonably lead to even the appearance of impropriety.

Staff members are prohibited, under any circumstances, to date or engage in any improper fraternization or undue familiarity with students, regardless of the student's age and/or regardless of whether the student may have "consented" to such conduct. Further, employees shall not entertain students or socialize with students in such a manner as to create the perception that a dating relationship exists. Similarly, any action or comment by a staff member which invites romantic or sexual involvement with a student is considered highly unethical, in violation of District policy, and may result in the notification of law enforcement officials and the filing of criminal charges and/or disciplinary action by the District up to and including termination of employment.

Inappropriate employee behavior includes, but is not limited to, flirting; making suggestive comments; dating; requests for sexual activity; physical displays of affection; giving inappropriate personal gifts; frequent personal communication with a student unrelated to course work or official school matters; providing alcohol or drugs to students; inappropriate touching; and engaging in sexual contact and/or sexual relations. ("Frequent personal communication with a student unrelated to course work or official school matters" means any form in which that personal communication may occur including, but not limited to, voice or text-based communication via phone, email, instant messaging, text messaging or through social networking Web sites.)

Even if the student participated "willingly" in the activity (regardless of the student's age), inappropriate fraternization of staff with students is against District policy and may be in violation of professional standards of conduct and New York State Law. However, inappropriate employee conduct does not need to rise to the level of criminal activity for such conduct to be in violation of District rules and subject to appropriate disciplinary sanctions.

Any student who believes that he/she has been subjected to inappropriate staff behavior as enumerated in this policy, as well as students, school employees or third parties who have knowledge of or witness any possible occurrence of inappropriate staff-student relations, shall report the incident to any staff member or either the employee's supervisor, the student's Principal or the District's designated Compliance Officer. In all events such reports shall be forwarded to the designated Compliance Officer for further investigation. Anonymous complaints of inappropriate fraternization of staff members with students shall also be investigated by the District. Investigations of allegations of inappropriate staff-student relations shall follow the procedures utilized for complaints of harassment within the School District. Allegations of inappropriate staff-student behavior shall be promptly investigated and will be treated as confidential and private to the extent possible within legal constraints.

(Continued)

SUBJECT: STAFF-STUDENT RELATIONS (FRATERNIZATION) (Cont'd.)

Any employee having knowledge of or reasonable suspicion that another employee may have engaged in inappropriate conduct with a student that may constitute child abuse (specifically, child abuse in an educational setting) must *also* follow the District's reporting procedures for such allegations; and such information will be reported by the designated administrator as required by state law to law enforcement officials, the State Education Department and/or Child Protective Services as may be applicable.

If a student initiates inappropriate behavior toward a staff member, that employee shall document the incident and report it to his/her Building Principal or Supervisor.

The District shall promptly investigate all complaints of inappropriate staff-student relations, and take prompt corrective action to stop such conduct if it occurs.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The Board of Education prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participate in the investigation of allegations of inappropriate staff-student relations. Follow-up inquiries and/or appropriate monitoring shall be made to ensure that the alleged conduct has not resumed and that all those involved in the investigation have not suffered retaliation. Any act of retaliation is subject to appropriate disciplinary action by the District.

District Responsibility/Training

The Principal of each school and/or program supervisor shall be responsible for informing students, staff and volunteers of the requirements of this policy, including the duty to report and the procedures established for investigation and resolution of complaints. Further, staff training shall be provided to facilitate staff identification of possible behavior that may constitute inappropriate staff-student relationships. Students shall be provided such training in an age appropriate manner.

The District's policy (or a summary thereof) shall be disseminated as appropriate to staff, students and parents. Further, this topic shall be addressed in the *District Code of Conduct*.

Disciplinary Sanctions

Any staff member who engages in inappropriate conduct with a student, prohibited by the terms of this policy, shall be subject to appropriate disciplinary measures up to and including termination of employment in accordance with legal guidelines, District policy and regulation, and the applicable collective bargaining agreement. A violation of this policy may also subject the employee to criminal and/or civil sanctions as well as disciplinary action by the State Education Department.

SUBJECT: CERTIFICATION AND QUALIFICATIONS

The following provisions shall govern certification and qualifications of District personnel:

- a) In accordance with applicable statutes, Rules of the Board of Regents, and Regulations of the Commissioner of Education, each employee whose employment requires certification or other licensure shall inform the Superintendent of Schools immediately of any change in the status of his/her certification or licensure. The changes shall include, but not be limited to, the granting, revocation, upgrading, expiration, conversion and/or extension of these documents as to their periods of validity or their titles.
- b) Through the New York Patriot Plan, Commissioner's regulations have amended education law. Provisions extend the expiration dates for various certificate holders engaged in active military service for the period of active service and an additional 12 months from the end of such service. These also reduce the professional development requirements for certification holders called to active duty for the time of such active service.
- c) The original certificates and/or licenses must be presented for examination and copying in the Office of the Superintendent of Schools as soon as they are available to the employee. The copies will be maintained in the employee's personnel file in support of the legitimate employment of each affected employee. The failure of any such employee to possess the required certification or other licensure may result in the discharge of that employee.
- d) Whether or not the District verifies an individual's certification or licensure does not waive the responsibility of the employee to maintain what is required for his/her assignment.

Qualifications of Teachers

- a) The District must ensure that all newly hired teachers in Title I programs who teach core academic subjects are highly qualified per Regulations of the Commissioner of Education. The term "core academic subjects" means English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, arts, history, and geography. A "highly qualified" teacher is one who has obtained full state certification as a teacher, or has passed the state teacher licensing examination, holds a license to teach in the state and has at least a bachelor's degree, and also must show subject matter competency in the subjects they teach.
- b) The District is also required to provide to teachers who are not new to the profession the opportunity to meet the NCLB requirement to be highly qualified, in part, through passing a High Objective Uniform State Standard of Evaluation (HOUSSE). The HOUSSE shall be an evaluation, prescribed by the New York State Education Department and conducted locally either during a pre-employment review or at the time of an Annual Professional Performance Review (APPR), that enables a teacher who is beyond the first year of teaching to demonstrate subject matter competency in all core academic subjects that the teacher teaches. The evaluation

shall be based upon objective, coherent information as prescribed by the department, and shall include, but not be limited to, information on the teacher's education, credentials, professional experience, and professional development.

- c) The District must ensure that on or after September 2, 2009 a candidate for a teaching certificate or license as a special education teacher shall, in addition to all other certification or licensing requirements, have completed enhanced course work or training in the area of children with autism.
- d) Enhanced training in the needs of autistic children shall also be completed by each certified school administrator or supervisor assigned on or after September 2, 2009 to serve as a special education administrator. Such training shall be provided prior to, or as soon as practicable following, assignment as a special education administrator. Individuals serving as special education administrators as of September 2, 2009 shall complete such training by such date. The enhanced course work or training shall be obtained from an institution or provider approved by the department except that a school district or a Board of Cooperative Educational Services (BOCES) may provide such training as part of its professional development program.

SUBJECT: PROFESSIONAL CERTIFICATION: 175 HOURS OF PROFESSIONAL DEVELOPMENT REQUIREMENT

All District employees who hold professional teaching certificates for classroom teaching are required to complete professional development hours to maintain the validity of their certificates. Professional certificate holders must complete 175 hours every five years. The five-year professional development period commences on July 1 after the effective date of the triggering certificate, and each subsequent five-year period thereafter. Each professional development year of the five-year cycle of professional development begins on July 1 and ends the following June 30. The professional development requirement may be completed at any time during the five-year professional development period. The New York Patriot Plan was enacted to recognize members of the military, called to active duty, so that they were not discriminated against in employment or education because of their military status. Professional continuing education requirements for active military are waived during the period of military service or reduced proportionately for partial periods of service during certification. Certifications due to expire during military service are extended for the length of the service plus an additional 12 months after release from service. However, this shall not be construed to permit those who have had certifications revoked or suspended to continue to engage in such professions.

Decisions regarding content, delivery and providers of such professional development are within the purview of the School District and shall be made within the context of the District Professional Development Plan. The Professional Development Plan shall describe how the School District will provide teachers it employs holding a professional certificate with opportunities to maintain such certificates in good standing based upon successfully completing 175 hours of professional development every five years in accordance with Commissioner's Regulations.

If the professional certificate holder wishes to maintain the validity of his/her New York State professional certificate, he/she must satisfy the professional development requirement. If the certificate holder teaches less than ninety (90) days in a given school year for any reason, including an approved leave, the required hours are reduced by ten percent (10%) for each school year during which this is the case.

District Recordkeeping Responsibilities

If the School District provides professional development to teachers in its schools, or professional development is provided by other entities on behalf of the District, the District must maintain a record of professional development completed by its teachers who are required to complete this requirement. Such records shall include those items enumerated in Commissioner's Regulations Section 100.2(dd)(5):

- a) The name of the professional certificate holder;
- b) His/her teacher certification identification number;

(Continued)

SUBJECT: PROFESSIONAL CERTIFICATION: 175 HOURS OF PROFESSIONAL DEVELOPMENT REQUIREMENT (Cont'd.)

- c) The title of the program;
- d) The number of hours completed; and
- e) The date and location of the program.

These records shall be retained by the District for at least seven years from the date of completion of the professional development by the professional certificate holder and shall be available for review by the State Education Department (SED).

District Reporting Responsibilities

Annually, the School District must report to the New York State Education Department (SED) Office of Higher Education's Office of Teaching Initiatives (OTI) the number of all approved professional development hours completed by each teacher who is employed by the District and subject to the professional development requirement, regardless of the professional development provider.

All hours of completed professional development reported by Districts will become part of the certificate holder's certification record maintained by OTI. Teachers with professional certificates must complete the required number of hours of professional development every five years for their certificates to remain valid.

The School District is required to report professional development hours for its employees online directly via the Web-based computer system TEACH (Teacher Education and Certification Help).

Certificate Holder Responsibilities

All professional certificate holders must keep records of all of their approved professional development activities/programs/coursework, regardless of the provider, for at least seven years from the date of completion of the program and shall be available for review by SED. Such records shall include those items enumerated in Commissioner's Regulations Section 80-3.6(f):

- a) The title of the program;
- b) The number of hours completed;
- c) The sponsor's name and any identifying number;
- d) Attendance verification; and

(Continued)

SUBJECT: PROFESSIONAL CERTIFICATION: 175 HOURS OF PROFESSIONAL DEVELOPMENT REQUIREMENT (Cont'd.)

- e) The date and location of the program.

While it is the responsibility of the District to report hours, it is in the interest of every professional certificate holder to verify that their professional development hours are reported and that their individual record is complete. It is recommended that professional certificate holders develop their personal professional development plan in consultation with the District, and obtain District approval before commencing any professional development activities.

Personnel

SUBJECT: STAFF USE OF COMPUTERIZED INFORMATION RESOURCES

The Board of Education will provide staff with access to various computerized information resources through the District's computer system (DCS hereafter) consisting of software, hardware, computer networks, wireless networks/access and electronic communication systems. This may include access to electronic mail, so-called "on-line services" and the "Internet." It may also include the opportunity for staff to have independent access to the DCS from their home or other remote locations, and/or to access the DCS from their personal devices. All use of the DCS and the wireless network, including independent use off school premises and use on personal devices, shall be subject to this policy and accompanying regulations.

The Board encourages staff to make use of the DCS to explore educational topics, conduct research and contact others in the educational world. The Board anticipates that staff access to various computerized information resources will both expedite and enhance the performance of tasks associated with their positions and assignments. To that end, the Board directs the Superintendent or his/her designee(s) to provide staff with training in the proper and effective use of the DCS.

Staff use of the DCS is conditioned upon written agreement by the staff member that use of the DCS will conform to the requirements of this policy and any regulations adopted to ensure acceptable use of the DCS. All such agreements shall be kept on file in the District Office.

Generally, the same standards of acceptable staff conduct which apply to any aspect of job performance shall apply to use of the DCS. Employees are expected to communicate in a professional manner consistent with applicable District policies and regulations governing the behavior of school staff. Electronic mail and telecommunications are not to be utilized to share confidential information about students or other employees.

Access to confidential data is a privilege afforded to District employees in the performance of their duties. Safeguarding this data is a District responsibility that the Board of Education takes very seriously. Consequently, District employment does not automatically guarantee the initial or ongoing ability to use mobile/personal devices to access the DCS and the information it may contain.

This policy does not attempt to articulate all required and/or acceptable uses of the DCS; nor is it the intention of this policy to define all inappropriate usage. Administrative regulations will further define general guidelines of appropriate staff conduct and use as well as proscribed behavior.

District staff shall also adhere to the laws, policies and rules governing computers including, but not limited to, copyright laws, rights of software publishers, license agreements, and rights of privacy protected by federal and state law.

Staff members who engage in unacceptable use may lose access to the DCS and may be subject to further discipline under the law and in accordance with applicable collective bargaining agreements. Legal action may be initiated against a staff member who willfully, maliciously or unlawfully damages or destroys property of the District.

In addition, employees are encouraged to maintain the highest levels of professionalism when communicating, whether using District devices or their own personal devices, in their professional capacity as educators. SUBJECT: EMPLOYEE ASSISTANCE PROGRAM (EAP)

The District will provide an Employee Assistance Program for employees who are experiencing personal difficulties. The purpose of the program is to assist employees in obtaining help to resolve such problems in an effective and confidential manner. This program recognizes that the primary obligation to seek assistance and to resolve the problem rests with the employee.

The Board recognizes that a wide range of problems that are not directly associated with an employee's job function may have an effect on an employee's job performance. The problems may involve physical illness, mental or emotional illness, alcohol abuse or alcoholism, drug abuse or dependency, tobacco abuse or personal problems such as those of a marital, family, or financial nature.

A joint District/employee organization committee will be established to assist in the implementation of this policy.

SUBJECT: DEFENSE AND INDEMNIFICATION OF BOARD MEMBERS AND EMPLOYEES**Liability Protection Pursuant to Education Law**

The Board of Education recognizes its statutory obligation to indemnify School District employees (and in certain circumstances, Board of Education members and volunteers) pursuant to the provisions of Education Law Sections 3023, 3028 and 3811. For the purposes of this policy, the term "employee" shall be as defined in the applicable statute(s).

The District shall not be subject to the duty to defend unless the employee, within the time prescribed by statute, delivers appropriate notice of the claim to the Board of Education.

- a) For purposes of Education Law Section 3811, the employee must give written notice within five days after service of process upon him/her. The statute mandates only written notice of the claim to the Board of Education; however, submission of relevant legal documents by the employee to the Board is also encouraged.
- b) For purposes of Education Law Sections 3023 and 3028, the employee must deliver the original or a copy of the relevant legal documents to the Board within ten days after service of process upon him/her.

The District will provide legal defense and/or indemnification for all damages, costs, and reasonable expenses incurred in the defense of an action or proceeding if authorized pursuant to statute and provided that the alleged action or omission which occurred or allegedly occurred is covered by the appropriate statute(s). Furthermore, the District will not be required to provide indemnification protection and/or legal defense unless the employee was, at the time of the alleged incident, acting in the discharge of his/her duties within the scope of his/her employment or authorized volunteer duties and/or under the direction of the Board of Education.

Public Officers Law Section 18

The Board of Education hereby also confers the benefits of New York State Public Officers Law Section 18 upon the "employees" of the District, as defined in Public Officers Law Section 18; and the District assumes the liability for the costs incurred in accordance with the provisions of Public Officers Law Section 18. The benefits accorded to District employees under Public Officers Law Section 18 shall supplement and be available in addition to defense or indemnification protection conferred by other enactment or provisions of law.

The term "employees" shall include members of the Board of Education; the Superintendent; District officers; District employees; volunteers expressly authorized to participate in a District sponsored volunteer program; or any other person holding a position by election, appointment or employment in the service of the District, whether or not compensated. The term "employee" shall also include a former employee, his/her estate or judicially appointed representative.

SUBJECT: DEFENSE AND INDEMNIFICATION OF BOARD MEMBERS AND EMPLOYEES (Cont'd.)

Pursuant to the provisions of Public Officers Law Section 18, and upon compliance by the employee with the requirements of this statute, the District shall provide for the defense of the employee in any civil action or proceeding, state or federal, arising out of any alleged act or omission which occurred or allegedly occurred while the employee was acting within the scope of his/her public employment or duties. Furthermore, the District shall indemnify and save harmless its employees in the amount of any judgment obtained against such employees in a state or federal court, or in the amount of any settlement of a claim, provided that the act or omission from which such judgment or claim arose occurred while the employee was acting within the scope of his/her public employment or duties. However, in the case of a settlement, the duty to indemnify and save harmless shall be conditioned upon the approval of the amount of the settlement by the Board of Education.

The duty to defend and/or indemnify and save harmless, in accordance with Public Officers Law Section 18, shall be conditioned upon the delivery by the employee to the School Attorney or to the Superintendent a written request to provide for his/her defense, together with the original or a copy of any summons, complaint, process, notice, demand or pleading within ten days after he/she is served with such document. Pursuant to Public Officers Law Section 18, the full cooperation of the employee in the defense of such action or proceeding and in the defense of any action or proceeding against the District based upon the same act or omission, and in the prosecution of any appeal, shall also be required as a condition for the District's duty to defend and/or indemnify and save harmless to exist.

Exceptions to Liability Coverage

Indemnification coverage and/or provision of legal defense by the District will not apply unless the actionable claim is of the type covered by the statute(s) and/or is not otherwise exempt from coverage pursuant to law. Additionally, indemnification coverage and/or the duty to provide a defense shall not arise where such action or proceeding is brought by or on behalf of the School District.

SUBJECT: LEAVES OF ABSENCE (Cont'd.)

- (b) At the expiration of a paid sick leave of absence, to extend such a leave of absence for a period of time not to exceed the end of the school year next succeeding the school year in which the paid leave of absence commenced.
 - 2. Unpaid leaves of absence shall not be used to extend vacation periods, to take vacations, to engage in other occupations, or to provide additional personal leaves, except that the Superintendent shall have discretion, where circumstances warrant, to approve leaves of absence for such purposes.
 - 3. Unpaid leaves of absence shall not be granted unless the services of a substitute employee, satisfactory in the discretion of the Superintendent, can be secured.
 - 4. Except where it interferes with an employee's legal or contractual rights, the timing of unpaid leaves of absence will be granted at the convenience of the District.
- d) Other leaves of absence:
- 1. Emergency Service Volunteer Leave

Upon presentation of a written request from the American Red Cross and with the approval of the Superintendent, employees certified by the American Red Cross as disaster volunteers shall be granted leave from work with pay for up to twenty (20) days in any calendar year to participate in specialized disaster relief operations. This leave shall be provided without loss of seniority, compensation, sick leave, vacation leave or other overtime compensation to which the volunteer is otherwise entitled.
 - 2. Screenings for Breast Cancer and Prostate Cancer

Employees shall be granted up to four hours of paid leave on an annual basis to undertake a screening for breast cancer; employees shall be granted up to four hours of paid leave on an annual basis to undertake a screening for prostate cancer (i.e., male employees are entitled to a total of eight hours for both screenings). This leave shall be excused leave and shall not be charged against any other leave to which the employee is entitled.
 - 3. Blood donation

The School District must either, at its option:

 - (a) Grant three hours of leave of absence in any 12 month period to an employee who seeks to donate blood. According to Commissioner's Guidelines, leave granted to employees for off-premises blood donation is not required to be paid leave.

(Continued)

Personnel

SUBJECT: LEAVES OF ABSENCE (Cont'd.)

The leave may not exceed three hours unless agreed to by the Superintendent/ designee;
or

- (b) Allow its employees without use of accumulated leave time to donate blood during work hours at least two times per year at a convenient time and place set by the Superintendent/designee, including allowing an employee to participate in a blood drive at the District.

Leave taken by employees at a District-designated donation alternative (such as a District-sponsored blood drive at the workplace) must be paid leave that is provided without requiring the employee to use accumulated vacation, personal, sick, or other leave time.

The District shall not retaliate against an employee for requesting or obtaining a leave of absence under this section. Additional leaves for the purpose of blood donation under any other provision of law shall not be prevented.

4. Bone Marrow Donation

Employees seeking to undergo a medical procedure to donate bone marrow shall be granted leaves to do so, the combined length of the leaves to be determined by the physician, but may not exceed 24 work hours unless agreed to by the Superintendent/designee. The District shall require verification for the purpose and length of each leave requested by the employee for this purpose.

5. Nursing Mothers

The District shall provide reasonable unpaid break time or permit the use of paid break time or meal time each day to allow an employee to express breast milk for her nursing child for up to three years following child birth. The District shall make reasonable efforts to provide a room or other location in close proximity to the work area where the nursing mother can express milk in privacy. The District shall not discriminate against an employee who chooses to express breast milk in the workplace.

Reasonable unpaid break time is generally no less than twenty (20) minutes and no more than 30 minutes dependent upon the proximity of the designated location for expressing breast milk. In most situations, the District is required to provide unpaid break time at least once every (3) hours if requested by the employee. At the employee's option, the District shall allow the employee to work before or after her normal shift to make up the amount of time used during the unpaid break time(s) so long as such additional time requested falls within the District's normal work hours.

(Continued)

Personnel

SUBJECT: LEAVES OF ABSENCE (Cont'd.)

The District shall provide written notice to employees who are returning to work following the birth of a child of their right to take unpaid leave for the purpose of expressing breast milk. Such notice may either be provided individually to affected employees or to all employees generally through publication of such notice in the employee handbook or posting of the notice in a central location.

Any employee wishing to avail herself of this benefit is required to give the District advance notice, preferably prior to her return to work, to allow the District an opportunity to establish a location and schedule leave time to accommodate employees as needed.

6. Victims of Domestic Abuse

Employers are required to provide employees with an unpaid leave to appear as a witness, consult with the district attorney, or exercise the employee's statutory rights as the victim of, or witness to a crime of domestic violence. In addition, a victim of domestic violence may need one or more of these types of leave.

To use this leave, the employee shall provide notice of the need for leave at any time prior to the actual day of leave. Employers are permitted to ask the employee who sought the attendance or testimony of the employee to provide verification of the employee's service. Penalizing or discharging an employee for absences by reason of a required appearance as a witness in a criminal proceeding, or consultation with the district attorney, or exercising his/her rights as provided under the law constitutes a Class B misdemeanor by the employer.

7. Military Leave

The District will comply with state and federal laws regarding military leave and re-employment.

Leaves of absence for military spouses are granted in accordance with law and regulation.

SUBJECT: FAMILY AND MEDICAL LEAVE ACT

The Board of Education, in accordance with the Family and Medical Leave Act of 1993 (as amended) (FMLA), gives "eligible" employees of the District the right to take unpaid leave for a period of up to 12 workweeks in a twelve-month period as determined by the District.

The District uses a 12 month period measured forward from the date of the employee's first FMLA leave usage as its method for calculating the leave year period for the commencement of the FMLA leave period. In certain cases, FMLA leave may be taken on an intermittent basis rather than all at once, or the employee may work a part-time schedule.

The entitlement to leave for the birth or placement of a child shall expire at the end of the 12 month period beginning on the date of such birth or placement.

Employees are "eligible" if they have been employed by the District for at least 12 months and for at least 1,250 hours of service during the previous twelve-month period. Full-time teachers are deemed to meet the 1,250 hour test. However, a break in employment for military service (i.e., call to active duty) should not interrupt the 12 month/1,250 hours of employment requirement and should be counted toward fulfilling this prerequisite. The law covers both full-time and part-time employees.

Qualified employees may be granted leave for one or more of the following reasons:

- a) The birth of a child and care for the child;
- b) Adoption of a child and care for the child;
- c) The placement of a child with the employee from foster care;
- d) To care for a spouse, minor child or parent who has a "serious health condition" as defined by the FMLA;
- e) To care for an adult child who is also incapable of self-care due to a disability (regardless of date of the onset of disability) and has a "serious health condition" as defined by the FMLA; and/or
- f) A "serious health condition" of the employee, as defined by the FMLA, that prevents the employee from performing his/her job.

A "serious health condition" is defined as an illness, injury, impairment or physical or mental condition that involves inpatient care or continuing treatment by a health care provider that renders the person incapacitated for more than three consecutive calendar days. Furthermore, the first visit to a health care provider for an employee claiming a "serious health condition" under FMLA must occur within seven days of the aforementioned incapacity with the second required visit occurring within

(Continued)

SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd.)

30 days of the incapacitating event. In order for an employee to claim the need for continuous treatment under FMLA for a chronic serious health condition, the condition must require a minimum of two visits per year to a healthcare provider, continue over an extended period of time, and may cause episodic rather than a continuing period of incapacity. A "serious health condition" is also defined as any period of incapacity related to pregnancy or for prenatal care.

Military Family Leave EntitlementsMilitary Caregiver Leave

An eligible employee who is the spouse, son, daughter, parent, or next of kin (defined as the nearest blood relative) is entitled to up to 26 weeks of leave in a single 12 month period to care for a "military member" who is:

- a) Recovering from a service-connected serious illness or injury sustained while on active duty; or
- b) Recovering from a serious illness or injury that existed prior to the service member's active duty and was aggravated while on active duty; or
- c) A veteran who has a qualifying injury or illness from service within the last five years and aggravates that illness or injury.

This military caregiver leave is available during a single 12 month period during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave. Military Caregiver Leave may be combined with other forms of FMLA-related leave providing a combined total of 26 weeks of possible leave for any single 12 month period; however, the other form of FMLA leave when combined cannot exceed 12 of the 26 weeks of combined leave. Military Caregiver Leave has a set "clock" for calculating the 12 month period for when FMLA leave begins and tolling starts at the first day of leave taken.

The term "military member" means:

- a) A member of the Regular Armed Forces (including a member of the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
- b) A veteran (discharged or released under condition other than dishonorable) who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of five years preceding the date on which the veteran undergoes that medical treatment, recuperation or therapy.

(Continued)

SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd.)"Qualifying Exigency" Leave/Call to Active Duty

An "eligible" employee is entitled to FMLA leave because of "a qualifying exigency" arising out of circumstances where the spouse, son, daughter, or parent of the employee is serving in the regular Armed Forces or either the National Guard or the Reserves and is on active duty during a war or national emergency called for by the President of the United States or Congress, or has been notified of an impending call to active duty status, in support of a contingency operation. There is no "qualifying exigency" unless the military member is or is about to be deployed to a foreign country.

A "qualifying exigency" related to families of the Army National Guard of the United States, Army Reserve, Navy Reserve, Marine Corps Reserve, Air National Guard of the United States, Air Force Reserve and Coast Guard Reserve personnel on (or called to) active duty to take FMLA protected leave to manage their affairs is defined as any one of the following reasons:

- a) Short-notice deployment;
- b) Military events and related activities;
- c) Childcare and school activities;
- d) Parental care leave;
- e) Financial and legal arrangements;
- f) Counseling;
- g) Rest and recuperation (for up to fifteen [15] calendar days);
- h) Post-deployment activities; and
- i) Any additional activities where the employer and employee agree to the leave.

In any case in which the necessity for leave due to a qualifying exigency is foreseeable, the employee shall provide such notice to the employer as is reasonable and practicable. This military-related leave is for up to 12 weeks during a single 12 month period. Leave may be taken intermittently or on a reduced leave schedule.

Implementation/Benefits/Medical Certification

At the Board of Education's or employee's option, certain types of paid leave may be substituted for unpaid leave.

(Continued)

SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd.)

An employee on FMLA leave is also entitled to have health benefits maintained while on leave. If an employee was paying all or part of the premium payments prior to leave, the employee will continue to pay his/her share during the leave period.

In most instances, an employee has a right to return to the same position or an equivalent position with equivalent pay, benefits and working conditions at the conclusion of the leave.

The Board of Education has a right to 30 days advance notice from the employee where practicable. In addition, the Board may require an employee to submit certification from a health care provider to substantiate that the leave is due to the "serious health condition" of the employee or the employee's immediate family member. Under no circumstance should the employee's direct supervisor contact any health care provider regarding the employee's condition; all contact in this manner must be made by a health care provider (employed by the employer), a human resource professional, a leave administrator or a management official. If the medical certification requested by the employer is found to be deficient, the employer must indicate where the errors are, in writing, and give the employee seven days to provide corrected materials to cure any deficiency prior to any action being taken.

Special Provisions for School District Employees

An instructional employee is an employee whose principal function is to teach and instruct students in a class, a small group, or an individual setting (e.g., teachers, coaches, driving instructors, special education assistants, etc.). Teaching assistants and aides who do not have instruction as the principal function of their job are not considered an "instructional employee."

Intermittent Leave Taken By Instructional Employees

FMLA leave that is taken at the end of the school year and resumes at the beginning of the next school year is not regarded as intermittent leave but rather continuous leave. The period in the interim (i.e., summer vacation) is not counted against an employee and the employee must continue to receive any benefits that are customarily given over the summer break.

Intermittent leave may be taken but must meet certain criteria. If the instructional employee requesting intermittent leave will be on that leave for more than twenty percent (20%) of the number of working days during the period for which the leave would extend, the following criteria may be required by the employer:

- a) Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b) Transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee's regular position.

(Continued)

SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd.)

Appropriate notice for foreseeable FMLA leave still applies and all employees must be returned to an equivalent position within the school district. Additional work-related certifications, requirements and/or training may not be required of the employee as a contingent of their return to work.

Leave Taken by Instructional Employees Near the End of the Instructional Year

There are also special requirements for instructional employees taking leave and the leave's relation to the end of the term. If the instructional employee is taking leave more than five weeks prior to the end of the term, the District may require that the employee take the leave until the end of the term if the leave lasts more than three weeks and the employee was scheduled to return prior to three weeks before the end of the term.

If the instructional employee is taking leave less than five weeks prior to the end of the term for any of the following FMLA-related reasons except qualifying exigency, the District may require that the employee remain out for the rest of the term if the leave lasts more than two weeks and the employee would return to work during that two week period at the end of the instructional term.

If the instructional employee begins taking leave during the three weeks prior to the end of the term for any reason except qualifying exigency, the District may require that the employee continue leave until the end of the term if the leave is scheduled to last more than five working days.

Any additional time that is required by the employer due to the timing of the end of the school year, will not be charged against the employee as FMLA leave because it was the employer who requested that the leave extend until the end of the term.

FMLA Notice

A notice which explains the FMLA's provisions and provides information concerning the procedures for filing complaints of violations of the FMLA shall be posted in each school building and a notice of an employee's FMLA rights and responsibilities shall be either placed in the employee handbook of the employer or furnished to each new employee upon hire. The employer has five days to supply such notice from the date of hire.

Administration is directed to develop regulations to implement this policy, informing employees of their rights and responsibilities under the FMLA.

Personnel

SUBJECT: UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)/MILITARY LEAVES OF ABSENCE

In accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and State Law, the School District, upon advance notice by the employee, shall grant leaves of absence for service in the uniformed services and/or military duty (hereinafter referred to as "military service" or "military duty") to its employees who are ordered to duty or volunteer for qualifying military service. The employee's notice may be either verbal or written. No advance notice is required if military necessity prevents the giving of notice, or the giving of notice is otherwise impossible or unreasonable under all the circumstances.

Employment Rights

Time during which an employee is absent pursuant to military leave shall not constitute an interruption of continuous employment in the School District and no such employee shall be subjected, directly or indirectly, to any loss or diminution of time service, increment, vacation or holiday privileges, or any other right or privilege, by reason of such absence; nor shall any employee be prejudiced by reason of such absence with reference to continuance in employment, reemployment, reinstatement, transfer or promotion.

Salary/Compensation

Every employee shall be paid his/her salary or other compensation for any and all periods of absence while engaged in the performance of ordered military duty, and while going to and returning from such duty. This payment of salary/compensation shall not exceed a total of 30 days or twenty two (22) working days, whichever is greater, in any one calendar year; and shall not exceed 30 days or twenty two (22) working days, whichever is greater, in any one continuous period of such absence.

The employee must be permitted, upon request, to use any accrued vacation, annual, or similar leave with pay during the period of military service in order to continue his/her civilian pay. The School District may not require the employee to use accrued leave.

The employee is not entitled to use accrued sick leave during the period of military service, unless the District allows employees to use sick leave for any reason or allows other similarly situated employees on comparable furlough or leave of absence to use accrued paid sick leave.

Employee BenefitsHealth Plan Coverage

If the employee has coverage under a health plan in connection with his/her employment with the District, the employee must be permitted to elect to continue the coverage for a certain period of time as designated in law.

(Continued)

SUBJECT: UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)/MILITARY LEAVES OF ABSENCE (Cont'd.)

When the employee is performing military service, he/she is entitled to continuing coverage for himself/herself (and dependents if the plan offers dependent coverage) under a health plan in connection with the employment. The plan must allow the employee an opportunity to continue coverage for a period of time that is the lesser of:

- a) The 24-month period beginning on the date on which the employee's absence for the purpose of performing military service begins; or
- b) The period beginning on the date on which the employee's absence for the purpose of performing military service begins, and ending on the date on which the employee fails to return from service or apply for a position of reemployment.

Health plan administrators may develop reasonable requirements addressing how continuing coverage may be elected, consistent with the terms of the plan and USERRA's exceptions to the requirement that the employee give advance notice of military service. Further, health plan administrators may develop reasonable procedures for employee payment to continue coverage, consistent with USERRA and the terms of the plan.

Pension/Retirement Plans

While on military duty, any School District employee who is a member of any pension or retirement system may elect to contribute to such pension or retirement system the amount which he/she would have contributed had such employment been continuous. Upon making such contribution, the employee shall have the same rights in respect to membership in the retirement system as he/she would have had if the employee had been present and continuously engaged in the performance of his/her position. To the extent that such contributions are paid, absence while engaged in the performance of military duty shall be counted in determining the length of total service under such pension or retirement system.

Alternatively, employees will have an opportunity to make up contributions to the pension or retirement system upon return to employment in the District in accordance with law and the individual employee's pension/retirement system.

The payment of member contributions required under law to obtain military service credit is waived for members called to active military duty on or after September 11, 2001 and prior to January 1, 2006, as the result of Non-Contributory Military Service Credit legislation signed as Chapter 326 of the Laws of 2005.

Time during which an employee is absent on military duty shall not constitute an interruption of continuous employment, but such time shall not be counted or included in determining the length of total service in the pension or retirement system unless the employee contributes to the pension or

retirement system the amount he/she would have been required to contribute if the employee had been continuously employed during the period of military duty.

Leaves of Absence for Military Spouses

The spouse of a member of the armed forces of the United States, national guard or reserves who has been deployed during a period of military conflict (defined as a period of war declared by the United States Congress, or in which a member of a reserve component of the armed forces is ordered to active duty pursuant to the United States Code), to a combat theater or combat zone of operations shall be allowed up to ten days unpaid leave by their employer. Such leave shall only be used when such person's spouse is on leave from the armed forces of the United States, National Guard or reserve while deployed during a period of military conflict to a combat theater or combat zone of operations.

In accordance with law, an employee means a person who performs services for hire for the District for an average of twenty (20) or more hours per week, and includes all individuals employed at any District site having twenty (20) or more District employees, but shall not include independent contractors.

An employer shall not retaliate against an employee for requesting or obtaining a leave of absence as provided above. The provisions of this section shall not affect or prevent an employer from providing leave for military spouses in addition to leave allowed under any other provision of law. The provisions of this section shall not affect an employee's rights with respect to any other employee benefit provided by law.

Reemployment/Restoration Rights ("Escalator Principle")

Per USERRA, as a general rule, the employee is entitled to reemployment in the job position that he/she would have attained with reasonable certainty if not for the absence due to military service. The position to which the returning service member should be restored has become known as the "escalator position." The escalator principle requires that the employee be reemployed in a position that reflects with reasonable certainty the pay, benefits, seniority, and other job benefits that he/she would have attained if not for the period of military service.

Depending on the circumstances/intervening events, the escalator principle may cause an employee to be reemployed in a higher or lower position, transferred, laid off, or even terminated.

The employee must be qualified for the reemployment position. The District shall make reasonable efforts to help the employee become qualified to perform the duties of this position. The District is not required to reemploy the employee on his/her return from military service if the

employee cannot, after reasonable efforts by the District, qualify for the appropriate reemployment position.

Per State law, an employee restored to his/her position after the termination of military duty shall be entitled to the rate of compensation he/she would have received had the employee remained in his/her position continuously during the period of military duty; and the employee shall be deemed to have rendered satisfactory and efficient service in the job position during the period of military leave of absence. Further, the employee shall not be subjected directly or indirectly to any loss of time service, increment, or any other right or privilege; nor shall an employee be prejudiced in any way with reference to promotion, transfer, reinstatement or continuance in employment.

All other rights, benefits, and responsibilities of a District employee serving in the military shall be in accordance with law, regulations, and/or the applicable contract/collective bargaining agreement.

Probationary ServicePublic Employees in General

If a public employee (with the exception of the probationary service of "teachers" as described below) enters military duty before the expiration of the probationary period in any position to which he/she may have been appointed, or to which he/she may thereafter be appointed or promoted, the time such employee is absent on military duty shall be credited as satisfactory service during this probationary period.

Teachers/Supervisory Staff

In any case where a "teacher" (*as defined in State Education Law Section 3101, the term "teacher" encompasses a broad category of full-time members of the teaching and supervisory staff of the District, and is not limited to "instructional" employees*) enters military duty before the expiration of the probationary period to which he/she may have been appointed, the time the "teacher" is absent on military duty shall be credited as satisfactory service during this probationary period. If the end of such probationary service occurs while the "teacher" is on military duty or within one year following the termination of military duty, the period of the probationary service may be extended by the Board of Education for a period not to exceed one year from the date of termination of military duty. However, in no event shall the period of probationary service in the actual performance of teaching services extend beyond that required by the School District at the time of the "teacher's" entry into military service.

Collective Bargaining Agreements/Contracts/Plans/Practices

In accordance with USERRA, any State or local law, contract, agreement, policy, plan, or practice that establishes an employment right or benefit that is more beneficial than, or is in addition to, a right or benefit under USERRA, such greater employment right or benefit will supersede this Federal Law.

Notice of Rights and Duties

The District shall provide a notice of the rights, benefits and obligations of employees and the District under USERRA. The District may provide the notice by posting it where employee notices are customarily placed. The District may also provide such notice to its employees in other ways that will minimize costs while ensuring that the full text of the notice is provided (e.g., by handing or mailing out the notice, or distributing the notice via electronic mail).

The U.S. Department of Labor has developed and made available on its website (<http://www.dol.gov/vets/programs/userra/poster.htm>) a poster for use by private and State employers (including school districts) that can be posted in order to comply with the notification mandate.

SUBJECT: SABBATICAL LEAVE

Regularly appointed teachers who have served for six years may, upon the recommendation of the Superintendent of Schools, and with the approval of the Board of Education, be granted a leave of absence for advanced study on three-fourths salary upon the following conditions:

- a) The applicant must be a fully certified staff member who has earned a Master's Degree or equivalent (30 approved hours beyond the Bachelor's Degree). Applicants will be advised that plans for retirement might be limiting factors, since application for sabbatical subsidy presumes that the applicant will continue to be a contributing professional staff member for several years upon return.
- b) Applicants must file with the Board of Education a written agreement to remain in the service of the Binghamton City School District after the expiration of such sabbatical leave for a period of at least three years; or in case of resignation within the above-stated three year period, to refund to the Binghamton City School District such proportion of the salary paid during the leave of absence as the unexpired three years shall bear to said period.
- c) Such sabbatical leave shall be granted for one semester or one school year.
- d) Three-fourths of the staff member's salary shall be paid during the leave of absence.
- e) At any time not more than one percent of the total number of teachers regularly employed shall be on sabbatical leave of absence. In case the number of applications shall exceed one percent, selection shall be made in accordance with the following rules:
 1. Length of service, preference being given to those longest in the service of the District.
 2. Distribution by schools, care being taken that the number from any one school shall not be comparatively excessive.
 3. Nature of service - provision being made that the benefits of such leave of absence shall be distributed as fairly as possible among all elementary, secondary, supervisory, and administrative positions.
- f) Applications for such sabbatical leave shall be acted on by the Board of Education no later than June 1 preceding the year for which the sabbatical leave is requested.
- g) Upon returning to Binghamton, recipients of sabbatical leave grants will be assigned to positions at the same level and in the same instructional areas, but not necessarily in the same building.
- h) No teacher on sabbatical leave shall engage in study for a profession other than education.

(Continued)

SUBJECT: SABBATICAL LEAVE (Cont'd.)

- i) No sabbatical leave, once granted, may be terminated before the date of expiration.
- j) The Board of Education reserves the right to reject any and all requests for sabbatical leave.
- k) The sabbatical leave shall count as a year of service in the Binghamton City School District.

SUBJECT: DETERMINATION OF EMPLOYMENT STATUS: EMPLOYEE OR INDEPENDENT CONTRACTOR

Regulations promulgated by the Office of the State Comptroller provide guidance to school districts to help them determine whether an individual is an employee, and therefore eligible for membership in the New York State and Local Retirement System (NYSLRS) and for service credit, or an independent contractor who is not eligible for membership.

A certification of the determination that an individual is an employee will now be required when the School District initially reports to the NYSLRS certain covered professionals -- those persons providing services as an attorney, physician, engineer, architect, accountant or auditor.

Employee shall mean an individual performing services for the School District for which the District has the right to control the means and methods of what work will be done and how the work will be done. Independent contractor shall mean a consultant or other individual engaged to achieve a certain result who is not subject to the direction of the employer as to the means and methods of accomplishing the result. (Guidance from the New York State Education Department emphasizes that School Districts and BOCES do not have the authority to enter into agreements with independent contractors for instructional services).

Employees to be Reported to NYSLRS

Only persons who are active members of NYSLRS and who have been assigned a registration number shall be included in the reporting requirements. In the case of employees who are in the process of being registered to membership, all service, salary and deductions data and mandatory contributions shall be accumulated by the District and such accumulation shall be included with the first monthly report which is due after the employee's registration number has been assigned.

An individual serving the District as an independent contractor or consultant is not an employee and should not be reported to the retirement system.

The District has the primary responsibility for determining whether an individual is rendering services as an employee or as an independent contractor. When making such a determination the District must consider the factors enumerated in State Regulations.

The District shall also complete, as necessary, a Certification Form for Individuals Engaged in Certain Professions (Form RS2414) as promulgated by the Office of the New York State Comptroller. As noted on the Certification Form instructions, when making a determination as to an individual's status as an employee or independent contractor, no single factor should be considered to be conclusive of the issue. All factors should be considered in making an assessment of an individual's status when engaged to perform services.

INDEPENDENT CONTRACTOR (Cont'd.)**

Written Explanation by District: Certain Professions

In the case of an individual whose service has been engaged by the School District in the capacity of attorney, physician, engineer, architect, accountant or auditor and the District has determined that the individual is rendering service as an employee and, therefore, may be eligible for credit with a retirement system, the District shall submit to the retirement system, in a form prescribed by the Comptroller and certified by the Chief Fiscal Officer of the District, an explanation of the factors that led to the conclusion that the individual is an employee and not an independent contractor or consultant.

SUBJECT: PROFESSIONAL SERVICES PROVIDERS**Determination by Employer**

The District has the primary responsibility for determining whether an individual is rendering services as an employee or as an independent contractor. When making such a determination the District must consider the factors enumerated in Commissioner's Regulations Sections 315.2 and 315.3. An individual serving the District as an independent contractor or consultant is not an employee and should not be reported to the New York State and Local Retirement System (NYSLRS).

Charging for Professional Services

A lawyer shall not simultaneously be an independent contractor and an employee of the School District for the purpose of providing legal services to the District.

A lawyer who is not an employee of the School District shall not seek to be or be considered, treated or otherwise reported by the District as an employee thereof for purposes of compensation, remuneration, health insurance, pension and all employment-related benefits and emoluments associated therewith [Education Law Section 2051(2)].

Enforcement

Any person who shall knowingly:

- a) Violate the provisions of Education Law Section 2051(2);
- b) Make a false statement of material fact; or
- c) Falsify or permit to be falsified any record or records of the retirement system in an attempt to defraud the retirement system as a result of such act for the purpose of obtaining a credit towards pension benefits, or a benefit or payment in excess of \$1000 from such retirement system for a professional services provider to which such professional services provider would not be entitled, shall be guilty of a Class E felony.

Reports Regarding Lawyers

The District shall, on or before the 45th day after the commencement of its fiscal year, file with the State Education Department, the State Comptroller and the Attorney General a report specifying those requirements enumerated in Education Law Section 2053.

Personnel

SUBJECT: EMPLOYMENT OF RETIRED PERSONS

A retired person may be employed and earn compensation in a position in the School District, without any effect on his/her status as retired and without suspension or diminution of his/her retirement allowance subject to the conditions enumerated in Retirement and Social Security Law Section 211(1). However, there shall be no earning limitations on or after the calendar year in which any retired person attains age 65.

No retired person may be employed in the District except upon approval of the Civil Service Commission or the Commissioner of Education unless otherwise authorized in accordance with law, as discussed below.

Two sections of the Retirement and Social Security Law (RSSL Section 211 and 212) affect a retiree's return to public employment in New York State. If a retiree returns to public employment, he/she may still be able to collect his/her pension depending upon:

- a) How much is earned after returning to work; and
- b) The retiree's age.

If a retiree is under age 65, he/she can return to public employment without approval or reduction in retirement benefits as long as his/her calendar year earnings do not exceed \$30,000 (the RSSL Section 212 limit). If a retiree's earnings will be more than the Section 212 limits, the employer must request and receive prior approval from the appropriate agency to hire the retiree under Section 211. This may help avoid a reduction or suspension of the retiree's pension. (Refer to subheading below for more information regarding RSSL Section 211 and the approval process.)

Section 211 waivers are provided for "unclassified service" positions. Retired police officers employed by a school district as a School Resource Officer fall under the "classified service" but may have the earnings limitation waived at the discretion of the Commissioner of Education, as long as all of the requirements for waivers in the unclassified service are fulfilled.

There is generally no restriction on a retiree's earnings beginning in the calendar year he/she turns 65, unless returning to public office.

RSSL Section 211 Approval Process

Approval for post-retirement employment of a person under the age of 65 or a retired police officer employed as a School Resource Officer whose calendar year earnings exceed \$30,000 may be granted only on the written request of the District giving detailed reasons related to the standards set forth in Section 211; and on a finding of satisfactory evidence by the Civil Service Commission or the Commissioner of Education that the retired person is duly qualified, competent and physically fit for the performance of the duties of the position in which he/she is to be employed and is properly certified where such certification is required.

(Continued)

SUBJECT: EMPLOYMENT OF RETIRED PERSONS (Cont'd.)

The District will prepare a detailed recruitment plan to fill such vacancy on a permanent basis when the need arises and will undertake extensive recruitment efforts to fill the vacancy prior to making a determination that there are no available non-retired persons qualified to perform the duties of such position.

Approvals to hire retired individuals may be granted for periods not exceeding two years each, provided that a person may not return to work in the same or similar position for a period of one year following retirement. However, in accordance with RSSL Section 212, a retiree may return to work in the same or similar position within the same year following retirement if his/her earnings are under \$30,000 or if he/she receives a Section 212 waiver, or other conditions exist as enumerated in law.

Reporting Requirements and Disclosure

- a) The School District shall report all money earned by a retired person in its employ in excess of the earnings limitation outlined in Retirement and Social Security Law Section 212 to the retirement system administered by the State or any of its political subdivisions from which the retired person is collecting his/her retirement allowance.
- b) The School District, when employing a retired person who is eligible to collect or is already collecting a retirement allowance from a retirement system administered by the State or any of its political subdivisions, shall report on an annual basis to the retirement system paying such retirement allowance and to the State Comptroller. This report shall consist of the re-employed retiree's name, date of birth, place of employment, current position, and all earnings.

Public Record

Any request for approval of the employment of a retired person, including the reasons stated, and the findings and determination of such request shall be a public record open for inspection in the Office of the Civil Service Commission, the Commissioner of Education, or the Board of Education making such findings and determination as specified in Retirement and Social Security Law Section 211.

The Board believes that fair compensation plans - which include an adequate base salary, salary incentives, and employee benefits - are necessary to attract and hold highly qualified people to administer and provide the quality educational program it desires in its schools.

It is the Board's intent to review any non-represented employee compensation plans and benefits recommended by the Superintendent. Once adopted by the Board, these plans of compensation and benefits will be regarded as current policy.

The Board will annually review and determine the salaries of all non-represented personnel.
