### **BCSD ThoughtExchange continues**

This week, the district launched a [ThoughtExchange](#) to gain insight from families about their virtual education experience so far. Participants are asked to share what they've found most helpful throughout this process, and what they feel could be improved. The survey is open through Tuesday, April 7. We encourage you to participate.

### **School budget votes, board elections postponed**

Per an executive order from Governor Andrew Cuomo, annual school budget votes and school board elections across New York State will be postponed until at least June 1. The order also indefinitely postpones collection and filing of nominating petitions for school board elections. The vote was originally scheduled for May 19.
