BCSD Facilities Closed Through May 15, 2020

Good afternoon. We want to take this opportunity to again thank our parents and guardians for your partnership throughout the COVID-19 pandemic.

Today, Governor Cuomo has extended the New York State on Pause for nonessential businesses and schools through May 15th. This means that the Binghamton City School District facilities will now remain closed until at least that date. In the meantime, we will continue to provide instructions to our students remotely and support our families in any way possible. Please be on the lookout for additional communications from the district, building principals and teachers regarding enhancements as we move in to the 4th marking period next week.

Thank you for your patience and support during this difficult time.

*Educating, empowering and challenging all students to become
productive, global citizens through innovative approaches to learning.*
