School Calendar Update

School Closure Extended

This afternoon, Governor Andrew Cuomo announced that schools across New York State will remain closed, with the earliest possible return date of Wednesday, April 29th.

Cancellation of Regents Exams

The district learned today that New York State's Board of Regents intends to cancel the June Regents exams. We have not yet received guidance from the New York State Education Department. Tomorrow, a formal announcement will be made and guidance will be provided regarding what will instead be required of students and how this will impact graduation requirements. We will continue working diligently to keep our school community informed.

BCSD ThoughtExchange

This is a final reminder about the district's ongoing [ThoughtExchange](#). We are seeking insight from families about their virtual education experience so far. The survey is open through Tuesday, April 7. Your feedback is valued and we appreciate your participation.
