March 20, 2020

This week, the Binghamton City School District deployed nearly 1300 electronic devices to students in grades 3-12. If your child needs a laptop or Chromebook, please contact Emily DePofi at 762-8100 ext. 222. Additionally, thousands of meals are being distributed to Binghamton students through the BOCES Rock on Café program. Please check the district web-site for updates on locations. If you are unable to access any of these locations, please call your child's main office.

Now more than ever, it is critical to remain in contact with your child's school. Please call your building if you need to update a phone number or address, download the BCSD mobile app, and frequently check our website, www.binghamtonschools.org.

We encourage your family to follow the CDC guidelines (cdc.gov) for keeping safe and minimizing the spread of COVID-19. Medical questions may be directed to the NYS Department of Health COVID-19 Hotline: 1-888-364-3065.

We are grateful for your patience and support.
