

AGREEMENT

TEACHERS OF TOMORROW TUITION REIMBURSEMENT PROGRAM

This is an agreement between _____ and
(Teacher's Name)
the Binghamton City School District, Binghamton, New York.

In acceptance of a Tuition Reimbursement award for the academic year 2019-2020, I hereby agree to serve the District in the year of the award (academic year 2019-2020 and the following academic year 2020 – 2021).

I understand that accepting this award does not remove the District's authority in determining continuation or discontinuation of service. I acknowledge that I must receive an Effective or Highly Effective annual professional performance review rating in order to remain in the Tuition Reimbursement Program or to reapply for an additional reimbursement in the following academic year.

I also understand and agree that the District has the right to withdraw this reimbursement award should I not fulfill my obligations as a District teacher, should funds for the program be discontinued or other unforeseen circumstances occur which prevent the District from continuing the program. In this case, the District does not hold me to a future service obligation.

If the District determines they will not continue my service in the following year, I am under no obligation to reimburse the District for any monies either expended on my behalf for tuition expense, or monies paid to me directly in the form of reimbursement for approved graduate work through the Tuition Reimbursement Program. I agree, however, that should I determine after accepting monies either directly to me or paid on my behalf, that I do not wish my service obligation, whether in the year of hire or in the following year, that the District will subtract those monies already paid from any monies owed to me. In the event there are no monies owed to me, I agree to reimburse the District within 60 days of notification that I will not honor the commitment.
