This year, more than any year prior, the Binghamton City School District needs to hear from our stakeholders in regards to the upcoming school budget. Difficult decisions are ahead as we work to develop an equitable and responsible budget for the 2021-2022 school year. The COVID-19 crisis has created financial challenges for so many locally, regionally and statewide, and school districts are no exception. We invite you to participate in a [ThoughtExchange survey](#) to share what you value most, and how you wish to see the district prioritize funding. The exchange will be open until **Jan. 31, 2021**, so please return to view and rate the thoughts of other participants. We truly appreciate your insight and input.
