## **Testing Opportunities During Week of 1/25**

As we prepare to welcome students back into our buildings on Feb. 1, the district is offering opportunities for COVID-19 testing ahead of that date. We encourage both students and employees to get tested, especially if they are presenting symptoms or have been exposed to the virus. We particularly advise students to be tested on Friday, before returning to school the following week.

Testing will take place at the East and West middle school field houses from 9 a.m. to 12 p.m. and 1 to 4 p.m. on Wednesday, Jan. 27 and Friday, Jan. 29. You may sign up to be tested on Wednesday [here](#), and on Friday [here](#).

Additionally, if you believe that you may have been in contact with a COVID positive individual or otherwise have reason to believe that you may be COVID positive, you may schedule an appointment to be tested at Binghamton High School in the small gym to be tested on Monday, Tuesday, or Thursday (Jan. 25, 26, or 28). To make an appointment, please contact Karianne Chapman via email at [chapmank@binghamtomschools.org](mailto:chapmank@binghamtomschools.org).
