The Binghamton City School District has been working with the Broome County Health Department as we have received notification of a confirmed case of COVID-19 of an employee at Theodore Roosevelt Elementary School.

Per New York State Department of Health guidelines, any person who had potential exposure to the virus may be quarantined by the Broome County Health Department for up to 14 days. A contact tracing investigation is underway, and the Broome County Health Department will contact any individual if they were exposed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district.
