Sept. 4, 2020

The Binghamton City School District has been working with the Broome County Health Department as we have received notification of a confirmed case of COVID-19 of an employee at Calvin Coolidge Elementary School.

Per New York State Department of Health guidelines any person who was in contact with the confirmed case will be quarantined by the Broome County Health Department for up to 14 days. A contact tracing investigation is underway, and the Broome County Health Department will contact you if you were exposed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. This case will not impact the distribution of Chromebooks/meals or the start of the school year for faculty and students. The first day of remote classes for students begins Sept. 14.
