October 29, 2020

The Binghamton City School District will welcome students back to our buildings on Monday, Nov. 2. [Consent/refusal forms](#) for COVID-19 testing have been mailed, emailed and appear in your GoCanvas account for you to complete. Please return these forms as soon as possible, regardless of whether you choose to consent to or refuse testing for your child. The informational presentation from Wednesday evening has been posted to the district's [Reopening Page](#).

Please note that Tuesday, Nov. 3 (Election Day) will be a regular day of instruction for students.

We are thrilled to have our students returning, and we are counting on the continued support of our families to keep our school community healthy. We urge our students, families, and employees to be vigilant about handwashing, social distancing, proper mask wearing, and most importantly, ***staying home when sick or quarantined***. Coming to school while experiencing even the slightest of symptoms could lead to many other individuals being exposed and could negatively impact our buildings ability to provide in-person instruction.

Thank you for your patience and perseverance.

Educating, empowering and challenging all students to become productive, global citizens through innovative approaches to learning.
