### **Additional Testing Opportunity:**

The Binghamton City School District is striving to make COVID-19 testing even more convenient and accessible. In addition to the regular satellite testing that's taking place in our buildings, students and employees can be tested at the East and West middle school field houses on Wednesdays, from 9 a.m. to 12 p.m. and 1 to 4 p.m., beginning on Wednesday, December 2.

These testing locations will administer the same rapid test that's being utilized in our schools, and there is no cost to be tested. Individuals do not need to have symptoms to be tested. Students do need to be accompanied by a parent or guardian. Please note that it is not necessary for parents to consent to regular, in-school testing for their child to be tested at this location. You may register your child for this Wednesday's testing [here](#).

### **Meal Distribution for EMS Students During Remote Learning:**

Due to an increase in positive cases among the East Middle School community, all students will engage in remote learning until in-person/hybrid instruction resumes on Monday, Dec. 14. Families of EMS students may pick up meals at the school from 11 a.m. to 1 p.m. on Wednesday, Dec. 2 and Wednesday, Dec. 9.

### **Elementary Parent Teacher Conferences:**

Parent teacher conferences for elementary students will be held Wednesday, Dec. 2. All conferences will take place virtually. Please reach out to your child's teacher or building principal if you have any questions, or need to schedule a meeting.
