## **K-5 Math Parent Workshop – Back for a Repeat Performance! Join Greg Tang.**

The Binghamton City School District has partnered with Greg Tang, a speaker, educator, and writer, to provide an interactive learning platform for K-5 remote instruction. Through a live, virtual workshop with Greg Tang, elementary parents and guardians will be provided with information and guidance on our K-5 math program, platforms, and instructional focus areas.

Greg joined us in the Fall to provide similar opportunities for families. If you were not able to attend or would like to attend again, please click the [Registration Link](#) below.

The event will take place on Thursday, Jan. 21 at 6 p.m. via Zoom. To register, [click here](#). The Zoom Link for the event will be sent to all registrants shortly before the workshop begins through the email provided in the Google Form.
