BCSD Remaining Snow Days

The Binghamton City School District calendar has six built-in snow days. As of Feb. 16, 2021, we have used four snow days and have two additional days remaining before we need to shift to remote-learning days. These remote-learning days will help us avoid interruption to designated vacation days, avoid extending the school year and ensure the district is able to access full state funding. If all six built-in snow days are used, we will notify families of this change.
