Fax: (607) 762-8110

September 29, 2020

This evening, Binghamton City School District officials learned that an employee at MacArthur Elementary School tested positive for the COVID-19 virus.

Out of an abundance of caution and to allow the Broome County Health Department Health officials to conduct their contact tracing, teachers will be teaching from their homes on Wednesday, Sept. 30. A contact tracing investigation is underway, and the Broome County Health Department will contact any individual if they were exposed.

The impacted area of the building is being disinfected. Meals will continue to be distributed from MacArthur tomorrow, Wednesday, Sept. 30.

The district will provide investigation updates to families via SchoolMessenger and on the district website. We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district.

*Educating, empowering and challenging all students to become productive, global citizens through innovative approaches to learning.*
