Share Your Ideas for the Binghamton Youth & Community Center:

The City of Binghamton is seeking community input as plans are developed for a new youth and community center to be located at Columbus Park. Share your feedback for the programs and activities you would like to see included by taking part in a brief [survey](#), and please encourage your child to participate also! The survey will close on Thursday, May 20.

Asian Pacific American Heritage Month:

May is Asian Pacific American Heritage Month, which celebrates the contributions and influence of Asian Americans and Pacific Islander Americans who have enriched the history, culture, and achievements of the United States. As we recognize Asian Pacific American Heritage Month, we also acknowledge the sharp increase in harassment and violence toward Asian American and Pacific Islander individuals as a result of the COVID-19 pandemic. It is important that students and families are aware of their rights in school settings, and know how to access help, if needed. The following are three steps to take in the event that you and your student experiences or witness COVID-19-related harassment in our schools:

1. Document the harassment by writing down the details of the event.
2. Notify your building principal by calling the school, completing a harassment complaint form (available in the main office), or [submitting an anonymous report](#) through the "Feeling Unsafe?" tab on your school building's homepage.
3. If you do not get the help you need, you can reach out to the district level by contacting Eric Wilson, Executive Director of Human Resources and Operations, at 607-762-8100 Ext. 315.

Educating, empowering and challenging all students to become productive, global citizens through innovative approaches to learning.
