Deadline to Change Learning Mode:

The district is offering families the option to change their student's learning mode for the remainder of the 2020-2021 school year. Families who wish to change their child's method of instruction should do so by Jan. 15 using this [form](#). If we do not receive notification by Jan. 15, your child's current form of instructional delivery will remain the same. Thank you for your time and attention.
