### **In case of inclement weather April 1, 2021**

In the case of inclement weather tomorrow, Thursday, April 1, 2021 the district will shift to remote learning instead of in-person instruction. Students and teachers will engage as they would every Wednesday. This remote learning will help us avoid interruption to designated vacation days, avoiding extending the school year and ensure the district is able to access full state funding.

Please prepare for this possibility and check in the morning the district website, the district mobile app, automated calls and local media in the event that a remote learning day has to be called.
