Spectators for Athletic Events

The Broome County Health Department and NYS Governor's Office has announced that we can now allow up to 200 spectators at outside events and 100 spectators at indoor events. The change in numbers has allowed the district to increase its spectator policy for most sporting events. Please click on the link to see the [allowed number of spectators for each sport](#).

Vaccinations available for those 16 and older

New York State has announced all adults in NYS (defined as 16+) are eligible for vaccination starting Tuesday, April 6. This will include some of our high school students. We encourage parents and guardians to sign up their children for appointments. To find out more information or to sign up for an appointment visit <https://gobroomecounty.com/hd/coronavirus/vaccine>.

Stopping this pandemic will require using all tools available. Even after an individual has been vaccinated, they should continue to cover their mouth and nose with a mask when around other people, stay at least six feet away from other, avoid crowds and wash their hands often. For more information about the COVID-19 Vaccine visit <https://covid19vaccine.health.ny.gov/frequently-asked-questions-0>.

Spring Break

All BCSD schools will be closed for Spring Break from April 2 through April 9. Please enjoy your vacation and we will see everyone back in school on Monday, April 12.

Educating, empowering and challenging all students to become productive, global citizens through innovative approaches to learning.
