Vaccination Clinics at BHS

The Broome County Health Department has made two dates available for a mobile vaccination clinic at Binghamton High School. Currently, students ages 16 and up are eligible for the Pfizer vaccine. The first date will be Tuesday, May 4 and the second date will be Friday, May 7. Students who are 18 years or older do not need parental consent to receive the vaccine. Students who are 16 and 17 will need to have their parent or guardian sign up and fill out the permission slip that students will need to bring with them to the appointment.
