BCSD Budget Survey and Roundtable:

The Binghamton City School District continues to seek input from its stakeholders in regards to the upcoming school budget. As we strive to develop an equitable and responsible budget for the 2021-2022 school year, we know that difficult decisions are ahead. The COVID-19 crisis has created financial challenges for school districts locally, regionally and statewide. We would like to remind you to participate in the ongoing [ThoughtExchange survey](#) to share what you value most, and how you wish to see the district prioritize funding. The exchange will be open until **January 31, 2021**, so please return to view and rate the thoughts of other participants. Thank you for your input and insight.

A virtual budget roundtable will be held on Thursday, Jan. 6. Access information can be found on the district [website](#). We encourage and appreciate your participation.
