Dear BCSD Families:

We are happy to announce that we can offer Remote Learning Center slots to our Binghamton community. After first offering to our staff, we have remaining childcare slots available at six Binghamton locations: Binghamton High School, Wilson Elementary, Roosevelt Elementary, MacArthur Elementary, Franklin Elementary, and Mann Elementary.

These Remote Learning Center childcare slots are available on a first-come, first-serve basis by registering through the following website:
<https://forms.gle/35CZSvJc64qXch838>.

Our Remote Learning Centers will operate under the following procedures:

- Hours are 7:30am to 3:30pm, Monday-Friday when school is in session.
- Open to Binghamton City School District students in grades K through 5.
- Breakfast and lunch included.
- To ensure social distancing, between 10-15 students can attend per site, per day; building locations have been identified that meet all COVID-19 safety protocols.
- The cost is **\$30/day, per child (per slot)**. This is not a drop-in service; payment will be expected based on the number of days for which students are registered.
 - Checks made payable to the "Binghamton City School District" will be accepted.

There are a limited number of slots available at each site, so this will be a first-come, first-serve opportunity. Registration will be open through Monday, 9/28 at 8 a.m. Those who register will be contacted during the 9/28 week with more information. Between now and then, you may contact Dr. Larry Dake at childcare@binghamtonschools.org with questions.

We are proud to be able to offer this service to our Binghamton community during this challenging time.

Educating, empowering and challenging all students to become productive, global citizens through innovative approaches to learning.
