Spectators at Winter and Fall Sports Competitions

Recently, Broome County Executive Jason Garnar announced that Broome County would be allowing limited spectators at athletic events, inclusive of winter and fall high-risk sports. The Binghamton City School District will NOT be allowing spectators at our *winter* sport competitions, largely because the events take place indoors and the city of Binghamton was and continues to experience community spread of the virus. The district is putting safety measures in place so that we can allow spectators to attend fall and spring sports contests, which largely take place outside. [Guidance for spectators can be found here.](#)

Many winter sports competitions can be viewed on our [BCSD Athletics YouTube](#) page for free. We are working to make as many contests as possible available virtually. You can help us by following our YouTube [channel](#).

As always, the health and safety of our students and staff is our highest priority and we appreciate your patience and support as we navigate the challenges of operating during a global pandemic.

productive, global citizens through innovative approaches to learning.
